Please note that Lotus Seaview Beach Resort & Spa Sdn Bhd may amend this Privacy Notice at any time without prior notice and will notify of any such amendment via our website or by such other means of communication as deemed suitable by Lotus Seaview Beach Resort & Spa Sdn Bhd.

Introduction

Lotus Seaview Beach Resort & Spa Sdn Bhd has a strong commitment to providing excellent service to all of our customers, including respecting their concerns about privacy. We understand that visitors to our website may have questions about how this website collects and uses information. We have prepared this statement to inform you of the privacy principles that govern by Lotus Seaview Beach Resort & Spa Sdn Bhd.

This statement contains numerous general and technical details about the steps we take to respect your privacy concerns. The bottom line is that meeting your needs and expectations form the foundation of everything we do—including protecting your privacy.

1. Information collected by Lotus Seaview Beach Resort & Spa Sdn Bhd (Online and Offline)

We collect information from you when you register on our site, place an order, subscribe to our newsletter, respond to a survey, fill out a form or take part in any activity that includes personal information.

We collect personally identifiable information from you, we will ask you to voluntarily supply us with the information we need. For example, if you would like to make a reservation at our hotels, we will ask you for information such as name, address, telephone number, E – mail address, credit card number, and room preference to process your reservation. We may use your E – mail address to send a confirmation and, if necessary, might use the other information to contact you for help to process the reservation. The same types of information would be requested to complete a gift certificate transaction. As indicated below (see E – Mail section), we may also use your E – mail address to notify you about special offers and promotions.

Our Servers never automatically capture information regarding a user’s data unless the user supplies it.

When booking or registering on our site, as appropriate, you may be asked to enter your: name, E – mail address, mailing address, phone number, financial and banking account details, occupation, citizenship, Identification information from various sources or information in audio and/ or video format (including voice, video recording, closed-circuit television (“CCTV”) or security recording), images (including photographs) and location tracking / GPS information. Lotus Seaview Beach Resort & Spa Sdn Bhd, whether directly or through our authorized agents and representatives, collects your personal data whether directly from you or indirectly from third parties such our authorized agents, dealers or representatives, your legal representatives, travel agents, credit reference agencies and/or your employer when you whether directly or through your legal representatives, agents and/or employers provide your personal data to Lotus Seaview Beach Resort & Spa Sdn Bhd in any manner in connection with any transaction

How do we protect your information?

We implement a variety of security measures to maintain the safety of your personal information when you place an order or enter, submit, or access your personal information.

We offer the use of a secure server. All supplied sensitive/credit information is transmitted via Secure Socket Layer (SSL) technology and then encrypted into our Payment gateway providers database only to be accessible by those authorized with special access rights to such systems, and are required to keep the information confidential.

Browsing

This website does not collect personally identifiable information from your computer when you browse the site. This means that, unless you voluntarily and knowingly provide us with personally identifiable information, we will not know your name, your E – mail address, or any other personally identifiable information.

Internet Protocol (IP) Address

An IP address is a number that is automatically assigned to your computer when you browse the Internet. When users request a page from our site; our servers log the user's current IP address. We use IP addresses to help diagnose problems. We do not link IP addresses to any personally identifiable information about you.

E – Mail

It is our intention to only send you E – mail communications that will be useful to you and that you want to receive. When you make a reservation and provide your e-mail address, we will occasionally contact you via E – mail and provide information about special offers and promotions that may be of interest to you. These communications will relate to Lotus Seaview Beach Resort & Spa Sdn Bhd offers and/or the promotions of select, reputable third parties with whom Lotus Seaview Beach Resort & Spa Sdn Bhd has a strategic marketing relationship because they offer products or services that we believe would of interest to you. We use a third-party E – mail service provider to send E – mails. This service provider is prohibited from using your E – mail address for any purpose other than to send Lotus Seaview Beach Resort & Spa Sdn Bhd related E – mail. Every time you receive E – mail you will be provided the choice to opt – out of future E – mails by following the instructions provided in the E – mail, or you may opt – out by updating your online profile.

Securing the Transmission and Storage of Information:

When we ask you for credit card data when making a reservation or purchasing a gift certificate, it is transferred over a Secured Sockets Layer (SSL) line provided you are using a SSL enabled browser such as Microsoft Internet Explorer, Firefox, Safari, or Google Chrome. We also use SSL on other select pages where you would enter personally identifiable information. This ensures that your information is encrypted as it travels over the Internet. This secure mode is enabled before any such information is transmitted from your computer. You will know you are in secure mode when the padlock or key icon in the lower right – hand or left – hand corner of the computer screen appears in the locked position. In addition, when accessing a secure server, the first characters of the site address will change from http to https. After information reaches Lotus Seaview Beach Resort & Spa Sdn Bhd it is stored on a secure server that resides behind firewalls designed to block unauthorized access from outside the Company.
